Declaration:
I certify that the above information is correct as at date of sale entry. The animal/s has/have been individually tested negative for BVD antigen (only applicable if not BVD CHeCS accredited), and all animals have completed a BVD vaccination course at least one month prior to the Sale date (at least one month prior to service if female). Any female and its dam have never been tested positive for Neospora. I give permission to the SDHBS to request health status information from the relevant CHeCS scheme provider if necessary
